Suggested Guidelines:

Each club should have a committee of adult leaders and club member to make their own guidelines. You may choose any or all of these or make your own.

1. Participation in events/activities.
2. Participation in club meetings or have been excused by calling 4-H leader.
3. Project meetings attendance.
4. Paid club and county dues.
5. Any other responsibilities clubs might wish of their members.
6. County committees Promotion and Leadership Skills (PALS)
7. Date by which youth needs to have club fulfillments finished (at least one month before trip/event).

This is not a policy to discourage 4-H members but a way to support 4-H leaders.

We realize that some members contribute to clubs in ways other than attendance at monthly meetings.
